

Automotive Recycling: Green Jobs

WAUBONSEE
COMMUNITY COLLEGE

Where futures take shape

Over 12 million cars are taken out of service each year.

**Illinois is home to 600
automotive recycling facilities.**

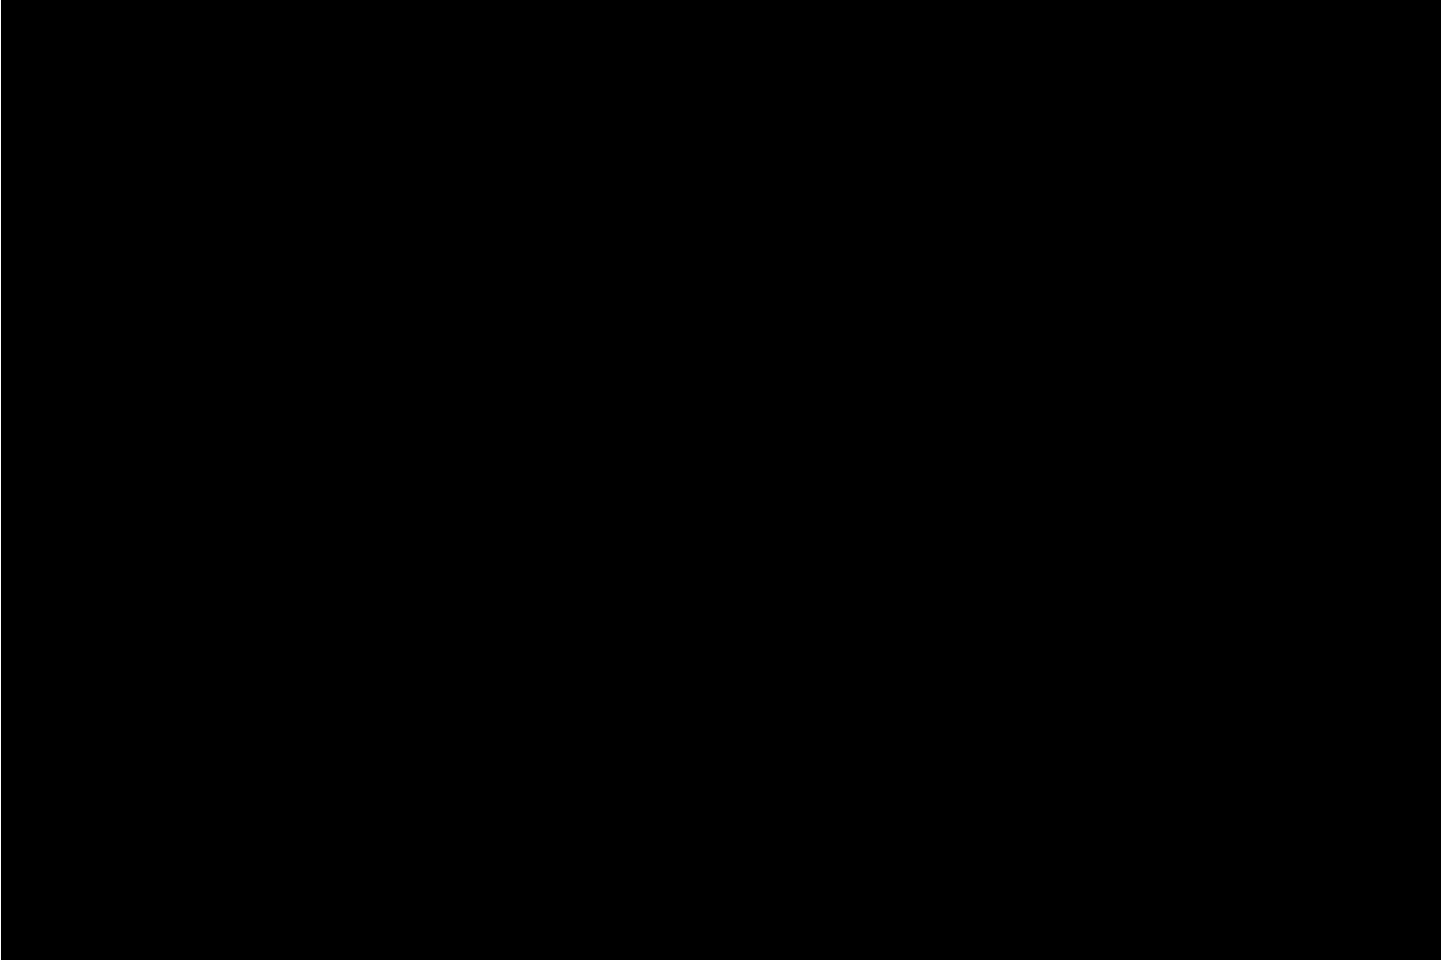

Nationally, there are over 103,000 employees of automotive recycling facilities.

**In Illinois only 15 automotive
recycling facilities are certified
green.**

The numbers do not add up.

**Fluid removal at Speedway Auto
Parts – Certified Automotive Recycler
with Gold Seal distinction**

**Removing gas at Speedway Auto
Parts – Certified Automotive
Recycler with Gold Seal distinction**
